16. [Redacted] Chatted briefly with Senator Thomas J. Dodd who said Mrs. Downey had asked him if he would try to arrange a meeting for her with the Attorney General. Dodd said he had contacted the Attorney General on this and he said he would be very happy to see Mrs. Downey. No date has been set for the meeting. (Mr. Houston sent the Director a note on this.)

I mentioned to Senator Dodd our difficulty in arranging a meeting between Mr. McCone and him because of their busy schedules. Dodd said it looked like they would not be able to get together until after Easter and we agreed that we would try to arrange something after the holiday.

11. [Redacted] Talked further with George Murphy, of the Joint Committee on Atomic Energy staff, concerning a time for Dr. Scoville's briefing of the staff on the Nth country problem (Israel) and developments in the Soviet Union with regard to atomic tests. Murphy said the staff director, Mr. Ramsey, would not be available for the briefing until Monday. He suggested that since Dr. Scoville would not return to Washington until Wednesday he might like to have one of his subordinates handle the briefing. I prefer to put this over until Wednesday and I will attempt to arrange this with Murphy.
